

A brace of Dray-men bid God speed him well,  
And had the tribute of his supple knee,  
With thanks my Countrymen, my louing friends,  
As were our England in reuerſion his,  
And he our ſubiect's next degree in hope.

*Gr.* Well, he is gone, & with him go theſe thoughts:  
Now for the Rebels, which ſtand out in Ireland,  
Expedient manage muſt be made my Liege,  
Ere further leysure, yeeld them further meanes  
For their aduantage, and your Highneſſe loſſe.

*Ric.* We will our ſelfe in perſon to this warre,  
And for our Coſſers, with too great a Court,  
And liberall Largeſſe, are growne ſomewhat light,  
We are inforc'd to farne our royall Realme,  
The Reuennew whereof ſhall furniſh vs  
For our affayres in hand: If that come ſhort  
Our Subſtitutes at home ſhall haue Blanke-charters:  
Where to, when they ſhall know what men are rich,  
They ſhall ſubſcribe them for large ſummes of Gold,  
And ſend them after to ſupply our wants:  
For we will make for Ireland preſently.

*Enter Buſhy.*

*Buſhy,* what newes?

*Bu.* Old *John of Gaunt* is verie ſicke my Lord,  
Sodainly taken, and hath ſent poſt haſte  
To entreat your Maieſty to viſit him.

*Ric.* Where lyes he?

*Bu.* At Ely houſe.

*Ric.* Now put it (heaven) in his Phyſicians minde,  
To helpe him to his graue immediately:  
The lining of his coſſers ſhall make Coates  
To decke our ſouldiers for theſe Iriſh warres.  
Come Gentlemen, let's all go viſit him:  
Pray heauen we may make haſt, and come too late. *Exit.*

### Actus Secundus. Scena Prima.

*Enter Gaunt, ſicke with Yorke.*

*Gau.* Will the King come, that I may breath my laſt  
In whoſome counſell to his vnſlaid youth?

*Yor.* Vex not your ſelfe, nor ſtrive not with your breth,  
For all in vaine comes counſell to his eare.

*Gau.* Oh but (they ſay) the tongues of dying men  
Inforce attention like deepe harmony;  
Where words are ſcarſe, they are ſeldome ſpent in vaine,  
For they breath truth, that breath their words in paine.  
He that no more muſt ſay, is liſten'd more,  
Then they whom youth and eaſe haue taught to gloſe,  
More are mens ends mark, then their liues before,  
The ſetting Sun, and Muſicke is the cloſe  
As the laſt taſte of ſweeteſſe, is ſweeteſt laſt,  
Writ in remembrance, more then things long paſt;  
Though *Richard* my liues counſell would not heare,  
My death's ſad tale, may yet vndeafe his eare.

*Yor.* No, it is ſtopt with other flatt'ring ſounds  
As praifes of his ſtate: then there are ſound  
Laciuious Meeters, to whoſe venom ſound  
The open eare of youth doth alwayes liſten,  
Report of faſhions in proud Italy,  
Whoſe manners ſtill our tardie apiſh Nation  
Limps after in baſe imitation.

Where doth the world thruſt forth a vanity,  
So it be new, there's no reſpect how vile,  
That is not quickly buz'd into his eares:  
That all too late comes counſell to be heard,  
Where will doth mutiny with wits regard:  
Direſt not him, whoſe way himſelfe will chooſe,  
Tis breath thou lackſt, and that breath wilt thou looſe.

*Gau.* Me thinkes I am a Prophet new inſpir'd,  
And thus expiring, do foretell of him,  
His raſh fierce blaze of Rye cannot laſt,  
For violent fires ſoone burne out themſelues,  
Small ſhowres laſt long, but ſodaine ſtormes are ſhort,  
He tyres betimes, that ſpurs too faſt betimes;  
With eager feeding, food doth choake the feeder:  
Light vanity, inſatiate cormorant,  
Conſuming meanes ſoone preyes vpon it ſelfe.  
This royall Throne of Kings, this ſceptred ſile,  
This earth of Maieſty, this ſeate of Mars,  
This other Eden, demy-paradiſe,  
This Fortreſſe built by Nature for her ſelfe,  
Againſt infection, and the hand of warre:  
This happy breed of men, this little world,  
This precious ſtone, ſet in the ſluer ſea,  
Which ſerues it in the office of a wall,  
Or as a Moate deſenſive to a houſe,  
Againſt the enuy of leſſe happier Lands,  
This bleſſed plot, this earth, this Realme, this England,  
This Nurſe, this teeming wombe of Royall Kings,  
Fear'd by their breed, and famous for their birth,  
Renowned for their deeds, as farre from home,  
For Chriſtian ſeruice, and true Chiuallrie,  
As is the ſepulcher in ſubborne *Iury*  
Of the Worlds ranſome, bleſſed *Maries* Sonne.  
This Land of ſuch deepe ſoules, this deepe-deere Land,  
Deere for her reputation through the world,  
Is now Leas'd out (I dye pronouncing it)  
Like to a Tenement or pelting Farme.  
England bound in with the triumphphant ſea,  
Whoſe rocky ſhore beates backe the enuious ſiedge  
Of watery Neptune, is now bound in with ſhame,  
With Inky blottes, and rotten Parchment bonds.  
That England, that was wont to conquer others,  
Hath made a ſhamefull conqueſt of it ſelfe.  
Ah! would the ſcandall vaniſh with my life,  
How happy then were my enſuing death?

*Enter King, Queene, Aumerle, Buſhy, Greene,  
Bago, Roſ, and Willoughby.*

*Yor.* The King is come, deale mildly with his youth,  
For young hot Colts, being rag'd, do rage the more.

*Qu.* How fares our noble Vncle Lancaſter?

*R.* What comfort man? How iſt with aged *Gau*?

*Ga.* Oh how that name beſits my compoſition:  
Old *Gau* indeed, and gaunt in being old:  
Within me greefe hath kept a tedious faſt,  
And who abſtaynes from meate, that is not gaunt?  
For ſleeping England long time haue I watcht,  
Watching breeds leanneſſe, leanneſſe is all gaunt.  
The pleaſure that ſome Fathers feede vpon,  
Is my ſtrict faſt, I meane my Childrens lookes,  
And therein faſting, haſt thou made me gaunt:  
Gaunt am I for the graue, gaunt as a graue,  
Whoſe hollow wombe inherits naught but bones.

*Ric.* Can ſicke men play ſo nicely with their names?

*Gau.* No, miſery makes ſport to mocke it ſelfe:  
Since thou doſt ſeek to kill my name in me,

I mocke my name (great King) to flatter thee.

*Ric.* Should dying men flatter thoſe that liue?

*Gau.* No, no, men liuing flatter thoſe that dye.

*Ric.* Thou now a dying, ſayſt thou flatter'ſt me.

*Gau.* Oh no, thou dy'eſt, though I the ſicker be.

*Ric.* I am in health, I breath, I ſee thee ill.

*Ric.* Now he that made me, knowes I ſee thee ill:

*Gau.* Ill in my ſelfe to ſee, and in thee, ſeeing ill,

Thy death-bed is no leſſer then the Land,

Wherein thou ly'eſt in reputation ſicke,

And thou too care-leſſe patient as thou art,

Commit'ſt thy anointed body to the cure

Of thoſe Phyſicians, that firſt wounded thee,  
A thouſand flatterers ſit within thy Crowne,

Whoſe compaſſe is no bigger then thy head,

And yet incag'd in ſo ſmall a Verge,

The waſte is no whit leſſer then thy Land:  
Oh had thy Grandſire with a Prophets eye,

Seene how his ſonnes ſonne, ſhould deſtroy his ſonnes,

From forth thy reach he would haue laid thy ſhame,

Depoſing thee before thou wert poſſeſt,

Which art poſſeſt now to depoſe thy ſelfe.

Why (Cofine) wereſt thou Regent of the world,

It were a ſhame to let his Land by leaſe:  
But for thy world enioying but this Land,

Is it not more then ſhame, to ſhame it ſo?  
Landlord of England art thou, and not King:

Thy ſtate of Law, is bondſlaue to the law,  
And

*Ric.* And thou, a lunaticke leane-witted ſoole,

Preſuming on an Agues priuledge,

Dar'ſt with thy frozen admonition

Make pale our cheekes, chafing the Royall blood

With fury, from his natieue reſidence?

Now by my Seates right Royall Maieſtie,

Wert thou not Brother to great *Edwards* ſonne,

This tongue that runs ſo roundly in thy head,

Should run thy head from thy vnreuerent ſhoulders.

*Gau.* Oh ſpare me not, my brothers *Edwards* ſonne,

For that I was his Father *Edwards* ſonne:

That blood already (like the Pellican)

Thou haſt rap't out, and drunkenly car'd vs'd.

My brother Glouceſter, plaine well meaning ſoule

(Whom faire befall in heauen amongſt happy ſoules)

May be a preſident, and witneſſe good,

That thou reſpect'ſt not ſpilling *Edwards* blood:

Ioyne with the preſent ſickneſſe that I haue,

And thy vnkindeſſe be like crooked age,

To crop at once a too-long wither'd flowre.

Liue in thy ſhame, but dye not ſhame with thee,

Theſe words hereafter, thy tormentors bee.

Conuey me to my bed, then to my graue,

Loue they to liue, that loue and honor haue. *Exit*

*Ric.* And let them dye, that age and fullens haue,

For both haſt thou, and both become the graue.

*Yor.* I do beſeech your Maieſtie impute his words

To wayward ſickneſſe, and age in him:

Heloues you on my life, and holds you deere

As *Harry* Duke of *Herford*, were he heere.

*Ric.* Right, you ſay true: as *Herford*'s loue, ſo his;

As theirs, ſo mine: and all be as it is.

*Enter Northumberland.*

*Yor.* My Liege, olde *Gau* commendeth him to your  
Maieſtie.

*Rich.* What ſayes he?

*Nor.* Nay nothing, all is ſaid.

His tongue is now a ſtringleſſe

Words, life, and all, old *Lan*

*Yor.* Be *Yorke* the next, t

Though death be poore, it er

*Rich.* The ripeſt fruit firſt

His time is ſpent, our pilgrim

So much for that. Now for

We muſt ſupplant thoſe rough

Which liue like venom, when
